## Summer Club Ranking Ladder

**Ladder Sessions: May 25 - August 31**

**\$10.00 Administration Fee due at sign-up.**

**\$20.00 Non-member.**

**Ladder rules will apply.**

A club ranking ladder league is a list of players with the person at the top being the No. 1 ranked player. Players try to reach the top of the ladder by challenging players above them. Blind draw will be applied within each level to give variety to match-ups from the start. As matches are played, league standing will be constantly updated. When you have challenged all in your level and won, you will be able to challenge the players in the level above you.

#### Match Play:

- Ladder matches will consist of 2 regular sets and a third set 10-point tie breaker if needed.
- Each singles player or each doubles team brings a new can of balls. WINNER takes home the unopened can of balls.
- Matches will not be monitored. Score sheets (front desk will provide) need to be filled out, signed, dated and turned in at the front desk.
- Players may challenge players up to 3 levels ahead of themselves.
- When a lower ranked player wins a match, they take the place of the person they beat. The losing higher ranked player will fall one spot in the ladder as does everyone below. If the higher ranked player wins, both players maintain their position.

#### All matches to be played at Louisville Indoor Racquet Club only.

- USTA, Rivercity and LIRC ranking accepted.
- Maximum matches played in a week is 3 and minimum required is 1.
- Players set up their own matches. List of names and phone numbers provided.
- Match cost - \$10.00 per player per match singles or doubles.
- \$5.00 to play inside or outside for members with GOLD summer passes.
- \$5.00 play OUTSIDE ONLY for members with SILVER pass.

**WINNER REWARD: #1 Ladder receives a \$100 Gift Certificate to the Pro Shop and #2 on the ladder receives a \$50 Gift Certificate.**
